

“Patty, girls don’t become pilots!”

— PATTY WAGSTAFF

Three-time U.S. National Aerobatic Champion, whose Extra 260 aircraft is in the National Air and Space Museum next to Amelia Earhart’s Lockheed Vega.

Oh, yes they do. And Patty Wagstaff became the best — among men and women. Today, she’s a champion aerobatic pilot, air show star, aerobatic coach and trainer, writer and lecturer.

She’s also a member of the Smithsonian Legacy Society, as one of many benefactors who has included the National Air and Space Museum in their will.

“The Museum promises so much potential, to inspire kids, stretch imaginations, and preserve the amazing history of flight. My bequest will help keep the promise. You can help, too.”
